

Tower Echoes 2021

From the Pastor,

Christ is Risen! Alleluia!

The resurrection of Christ gives us hope that death is not the end of life but the beginning of eternal life with God. It is a promise that can not be proven. Books have been written presenting proof of life after death. Members in the past have even suggested or tried to get me to read some of these books. I have declined. I don't need proof that there is life after death. The resurrection Christ is my proof that there is life after death. Paul said, "Now faith is the assurance of things hoped for, the conviction of things not seen." (Hebrews 11:1) My faith allows me to trust in God's promise without seeing proof. Others may find it helpful to their faith to read these books. Just please don't look at me funny because I would rather use my spare time differently.

Peter said, "Blessed be the God and Father of our Lord, Jesus Christ! By his great mercy he has given us a new birth into a living hope through the resurrection of Jesus from the dead." (1 Peter 1:3) The old self needs proof. The old self still clings to our new nature in Christ. Baptism brings into a new birth or born again into a living hope. This hope is kept alive by the faith given to us through the Holy Spirit. As long as I believe and trust that Christ has been raised from the dead I have a living hope in eternal life and life after death and need no further proof. Paul says, "and hope does not disappoint us, because God's love has been poured into our hearts through the Holy Spirit that has been given to us." (Romans 5:5) And again he says, "For in hope we were saved. Now hope that is seen is not hope. For who hopes for what is seen? But if we hope for what we do not see, we wait for it with patience." (Romans 8:24-25) Sometimes we may become impatient and need reassurance for our hope in Christ. But the only proof really presented to us by God is the empty tomb. Faith and hope claims it is empty because God raised Jesus from the dead.

Christ is Risen! Alleluia!

Pastor Jim

The Grace Lutheran Church Council and the Hope Lutheran Church Council request that the congregations be understanding with the churches plans for expanding worship and fellowship. The councils do not want to move too hasty. The end of strict restrictions seems to be in sight. There will still be restrictions for the rest of 2021. But there is a light at the end of the tunnel. The councils do not want to move too fast and become a hot spot. They ask that we please be patient.

Sidewalk Project

The bid to replace most of the sidewalks on the south and east sides of the church, the sidewalk coming out from the front door of the parsonage and replace the patio at the parsonage was accepted with a total of \$12,750.00. The plan is to have it started the end of May or the 1st part of June. This will also include members of the church doing some of the work, by removing the old sidewalks (we have someone that will take the old concrete) and then backfilling the dirt along the new sidewalk, and reseeding.

We have received some donations already in the amount of \$8,600 and we are thankful for them. If you would like to donate, please mark it as "Sidewalk Project" and send with your offering to the church.
