

TOWER
ECHOES
2021

From the Pastor,

This month we celebrate the Fourth of July. We celebrate the independence of our country from English rule. Freedom has been a key word used in 2020 and 2021. Lots of discussion about what it means to be free and to what extent the Government has the right to control its citizens and religious institutions.

Some of the discussions demonstrated that perhaps we are not as free as we believe we are not from government control but from original sin. We are stuck in original sin or our selfishness until we realize we are not free from our sin. The world does not recognize original sin and thus lives in its consequences.

Jesus said if the Son sets you free you are free indeed. Jesus the Son of God came to set us free from our selfishness so we could be free to be children of God. Christians live as both oppressed by sin and freed from sin. The cross frees us from the consequences of sin which is death and being struck in Satan's rule.

While we celebrate our country's freedom once a year, every Sunday is a celebration of our freedom from sin. I am thankful I live in a free country and live in freedom in God's Kingdom.

ELCW Meeting

A short meeting was held after church on June 13th. The purpose of the meeting was to decide whether we wanted to do a food stand on July 18th at Cook Days. It was made a motion by Judy Brinkman, that we go 50-50 with the Cook Museum. Seconded by Kathy Helgren.

Kris Gerking had the food stand in 2020 for the museum as we were not allowed to have one due to Covid. We had discussion on the project and decided we would help with the food and desserts and help man the stand. Several ladies volunteered to apply for the Action Team money from Thrivent for the projects. We voted on this motion and it was carried. Eleta Eisenhower volunteered to contact Kris Gerking about our proposal. Meeting was adjourned.

Windmill City Days is going to happen July 17 and 18.

(Watch for posters with activity details and some changes that you can expect.)

Grace Lutheran, as it was decided at our after church women's meeting in June is going with the suggestion of having Kris Gerking, member of our women's group and the Cook Museum, chair the Windmill City Days food stand. The women's group will provide workers and any donated food that is needed for the food stand. Profits will be shared equally by both groups.

In return our ladies are being ask to consider donating items to the museum bake sale that is held in the same building as the lunch stand. Bake sale profits will be for the museum. Bake sale items could be delivered about 11:00 am if possible. This bake sale has operated as a free will offering in past years.

Food and work schedule volunteer sheets will be at the back of church starting in July. We will be asking for about 7 workers for each of 2 time periods. Those wanting to help with the preparation and early serving time are ask to sign up from 10:00am to about 12:15pm and those wishing to take over serving spots and help with clean up are ask to sign up from 12:15pm to 2:30pm. Any others who are around at the close will be welcome to join in washing tables, putting away tables and chairs and what- ever is needed to complete the food stand task.

Food items that will be on the signup sheets will be for 2 pies each for a total of 10 fruit pies, 2 (9 x 13) pans of brownies for a total of 4 pans and 2 angel food cakes for a total of 2. If you don't connect with the signup sheets you can call Eleta @ 402 921 0042. Volunteers are appreciated because they save the time of calls for soliciting. If we have blanks on our solicitation sheets after July 12 calls will be made. If Kris needs help with other food preparation prior to the Sunday, July 18th date we will be calling for helpers. Please prayerfully consider what you can and will do to make this joint venture a success and to provide a service for our community.
