

Hope Lutheran Church

September 2021

From the Pastor,

I have been stressing out about writing this month's article. I felt that I should address the chaos happening in Afghanistan, but I have no idea what to say about it. People seem to first be speaking out about their thoughts and attitudes about the pull out of the U.S. troops. Facts are being given without any interpretation of what the facts mean for the U.S. and Afghanistan.

I am struck with questions and am not sure what my opinion is or should be. I feel as if I and the country are in shock. We want to blame someone just as we seek to blame someone for our lives being on hold in 2020. I am not sure what to do with these feelings.

And so I pray. Pray for the political leaders of all countries to seek to discern to do the right thing and do it. Pray for the people living in fear and the people panicking. Pray for the soldiers helping with the withdrawal. Even pray for the Taliban to be compassionate with their enemies. God can still perform miracles so don't be afraid or too skeptical about what you pray for. Pray for the countries receiving the refugees to be welcoming including the U.S.. Don't forget to take time to be in a prayerful state. Don't forget while in that prayerful state to pray intercessory prayers for Afghanistan and the world.

Pastor Jim

In August the texts discussed Jesus as living bread that gives eternal life and the need to eat His flesh and drink His blood to receive this gift of eternal life from God. The texts in September explain how to live our lives with the faith that lives inside us.
