

Hope Lutheran Church

December 2022

From the Pastor,

"When push comes to shove" is a saying that fits for the Christmas and Advent Church Seasons. Commerce pushes Christmas and views advent as a time to spend, spend, spend and borrow if necessary. It works to have one's house full of stuff to show your children and partner just how loved they really are by you.

There are no advertisements telling one to prepare their hearts for the remembrance of the birth of God's only Son who came to earth to be our Savior. If anything, the thought is buy a manger and put an expensive doll or two in it.

Christians are challenged to fight the commercialism of Christmas in order to hold on to the spiritual meaning of the Advent and Christmas Seasons society pushes us to give lip service to our faith while buying into the "if you love me you will buy me lots of gifts" mentality. One confirmation student said years ago that she was glad her parents were divorced because now she gets lots of Christmas presents.

Christmas Day is about remembering and celebrating God's entrance into the world so that God, the Son, could leave the world on a cross. Christmas Day without a Good Friday following it months later is just a "give me more presents day" because salvation is no longer a part of the true meaning of Christmas anymore.

Merry Christmas. Enjoy receiving and giving presents but be sure to receive Christmas Day as God's gift to you. This is how much God loves you.

Merry Christmas.

Christmas Eve Worship Services Hope 5:00 p.m. and Grace 7:00 p.m. Christmas Day joint Worship service at Grace at 10:00 a.m.

Church Seasons: There are two Church Seasons in December. The first is Advent. The color is blue or purple depending on how one is viewing the season of Advent.
