## February 2024

From the Pastor,

The January theme was rest. The February theme is GO AND...HAVE THE CONVERSATION. This is the ninth theme for us as we build onto the first theme which was pray. Prayer can be restful which fits January's theme. Prayer can help us be honest. It can help us be present with God and help us be aware that God is present with us. Prayer is a building block of our faith and a necessity of our faith life.

Conversation is more than just talking and it is more than just listening. It requires two or more people to have a conversation. And it requires these participants to be willing to listen to each. Actively listen to each other and not think about anything else but what is being said. The act of conversation has been lost. We are trying to revive it this month. What conversation do you need to have with someone? Pray before you begin the conversation. What conversation does someone need to have with you? Pray that you are able to truly listen to the other person.

Ash Wednesday is about having a conversation with God. We admit that we are sinful and unclean and we need God to change our very nature. We receive the ash in the form of a cross on our forehead to remind us that we are dust and to dust we shall return unless God changes our path. Lent is a time we change our path that is focused on ourselves and we focus on what we need to do in order to listen to God. Some Christians will stop doing a bad habit, and some will give up something they enjoy in order to appreciate that Jesus gave up His life for us so we can live with God forever. Jesus reminds us that all we are is dust unless we allow the cross to change our future.

Happy Lenten Journey,

Pastor Jim

Lent: Ash Wednesday is February 14th. The worship will be at Hope at 7:00 p.m. and will include Holy Communion and disposition of ashes. The ashes symbolize grieving over our sins and repenting of them.

The midweek Lenten theme is "GO AND LENT" put together by Deacon Timothy Siburg, Stewardship, NE Synod. The material is based on the February and March GO AND themes. The services will be 7:00 p.m. Wednesday evenings.

We will start to gather at 11:30 a.m. Begin serving the meal at 11:45 a.m. and have a service with a theme from the night before at about 12:10 p.m. The plan for the Thursday gathering is to gather for a simple lunch, fellowship, and God's Word. People are invited to come and go as needed. People are invited to come over their lunch hour and eat, worship and leave on their schedule. This gathering is based on the Lenten Thursday lunches the Tecumseh Ministerial once sponsored. This lunch worship is intended for members of Grace and Hope. Invite others to also attend with you.

**GO AND...**The theme for February is **GO AND...HAVE THE CONVERSATION**. As the Church, the incarnation of Christ, we are called to listen to others in need and speak on their behalf with others. The Church may need to be the place where differing sides can be safe to listen to each other and speak to each other. The Church is called to bring reconciliation into the world. This can be uncomfortable for members of a congregation and yet that is the call of the Church. A church may decide to avoid it all for Christ to be His presence in the world, but then it will have to answer to Christ if it failed to do its purpose in the world.
