

Hope Lutheran Church

August 2024

From the Pastor,

I like bread. Any kind of bread, even the green bread in my wallet. I enjoy the smell of bread, the feel of bread. Even how different loaves of bread look different from each other. I will more often than not, go past the bakery in the store I am in just to look at and smell the different breads for sale. Some people even have to squeeze the bread just to see if it is fresh, even if they are not buying any bread.

I eat less bread these days for health and weight reasons. That means I also eat pasta in moderate portions. Bread is my comfort food. Bread in the time of Jesus was a food staple. There may be nothing else to eat but a small, hard loaf of bread.

We will be spending five weeks in John 6 talking about wine and bread. Hopefully all this reading and preaching about bread will not tempt me to seek out more than I should of my comfort food. But all this discussion on bread is really about Jesus and his blood and body. Followers of Jesus begin to leave Jesus when he insists that one must eat his body and drink his blood in order to have eternal life. Many are offended and walk away from Jesus, yet he never stops insisting that he abides in us when we consume his body and blood.

John and Jesus of course are talking about Holy Communion. Jesus gives us his body and blood through bread and wine (juice, water). Jesus calls us to do this often in remembrance of his life, death, resurrection and ascension. Do this for the forgiveness of sins. Wow, what a true comfort food. A comfort food for the soul. a chance to eat and drink forgiveness of sins. Taste forgiveness, taste that the Lord is good to you.

The church is the only institution that provides this comfort food. Need to feel close to God, eat and drink Christ. Need to know that you are special and important to God, eat and drink Christ. Why do we need to attend church? Because Jesus said he abides in you when you eat his flesh and drink his blood. The only place set up to help us achieve that is the church, His body. Jesus the bread of life is my soul food staple.

Cultivating Re-Creation: We cultivated love in July. This month we are "Cultivating Re-Creation." This is a play on the word recreation, a time to play, rest, vacation. We need time to just "be." The first round of my vacation time was in July with a staycation ending with a play and boat ride in Brownsville. I am writing this July 15th so I have no idea if I actually rested and was recreated at that time.

The second round of my vacation will be in Goodyear, AZ with Kathy as we will rest and take care of my sister-in-law recovering from back surgery. She needed four weeks of recovery and only had three children to rotate with caregiving. Poor planning on her part.

How does God keep re-creating you in His image? Does private devotion and public worship assist you in the Holy Spirits' ability to recreate you weekly?

Church Season: We are in the church season of Time (Sundays) after Pentecost. The teachings and actions instead of his life activities like birth and death. July 28th-August 25th we will be discussing bread and how this staple in life compares to the body of Christ.
