

## From the Pastor,

The key words in December are Love and Hope. The Nebraska Synod December theme is "Cultivating Love through...Hope."

God so loved the world that God's son came down to earth to be a human being. This son was born out of God's love for us so God could die in our place for our sins. But GOD could not die and still exist unless God was Father, Son, and Holy Spirit. God loves us so much that God has made Godself made known to us in three different ways.

God so loved the world that God gave us the Son to give us hope that God the creator actually loved and still loves the earthly creation. December 25 is God's love and hope descending upon God's creation. The angels celebrate the birth of the Son and Christ because they are aware that this is God's love in action to bring humans back into a good and better relationship with the creator.

December 25 heavenly joy was introduced into the world. Yet every four years half of the American people lose their hope and joy and half gain hope and joy.

Christmas calls all people to hope and love in Christ. This is the call of God's people. We must live out this hope, love, and joy in our part of the world. There may not be Peace on Earth as the angel declares to the shepherds Christmas night but there can be this God's peace where we are located.

God's peace, love, hope, and joy this Christmas.

Merry Christmas!

Pastor Jim

## Cultivating Love...

Last month we Cultivated Love through Grace. We practiced giving grace to people through forgiving, loving, doing for them. We also practiced receiving forgiveness, love, and actions given to us by their grace.

This month we Cultivate Love through Hope. This month God gives us hope through Angels announcing peace to us born in Child in a manger. Hope that this birth brings us into a new, different relationship with God, the one God intended to have with us. Hope is given to the lowly, the ignored, the lonely, the poor, the confused. Jesus is our hope when all else fails. Jesus is God's love cultivating hope and trust in our hearts.

## THE Tanzania Scholarship PROJECT

Grace Lutheran again this year is sponsoring—**The Tanzania Scholarship Project**. This project sponsors orphans so they can attend a Christian high school. Primary schools in Tanzania are free but secondary schools have fees. Our scholarship students attend one of eleven Lutheran High Schools in northern Tanzania, East Africa. The scholarship for one year of tuition, boarding, uniforms, and school supplies is \$475. In the past years of this project we have witnessed God working through his people. ***We have made a difference!***

There are many orphans in Tanzania who have no parents due to motor accidents, malaria, or other illness. This is leaving many orphans who go to live with extended families. These families do not have the money to pay the orphan's secondary school fees. Without a scholarship, some of these orphans will have to leave school at a young age and fend for themselves. These students are very thankful for the opportunity that the project provides.

In the past Grace has received donations to sponsor 4 orphans. Your contribution is tax deductible. 100% of your donation goes to your orphan's education! *Donations towards this project should be designated on your offering envelope and then one check will be sent to Sheridan Lutheran in Lincoln. These donations must be in NO LATER than December 29<sup>th</sup>.*

We will receive the name of our orphan, a picture, and a letter from our orphan. Sheridan Lutheran has members who travel to Tanzania and visit the schools. We are encouraged to write letters to the orphan(s) that we are sponsoring. They collect letters from sponsors in January and September and deliver those letters directly to the schools via Sheridan Lutheran missionaries.

**Church Seasons:** The Time After Pentecost has ended the 2023-2024 Church year. December 1 we began a new church year with the first season being Advent. The color is blue and it is a time to prepare the church and our hearts to celebrate The Nativity of Our Lord. Society just celebrates Christmas from Thanksgiving until Christmas Day. We try to hold back all our "Merry Christmas" celebrating until at least Christmas Eve. That being said, the Sunday School Christmas Program and the Christmas Cantata, "Shout the Good News" are December 22nd.

## Old Songs and New Songs

The Lutheran magazine, *Gather*, had a timely article in its September/October edition, especially since we have been evaluating standing and sitting during worship and we are introducing the new Evangelical Lutheran Worship (ELW) hymnal in December. The article “Holy Experiments” explains the Greek word “*adiaphora*” which means things of lesser importance and its usage in planning and conducting worship.

The article states, “In Christian teaching, *adiaphora* refers to things neither commanded nor forbidden by scripture; things which may hold value, but are not, finally, of ultimate importance: not to our salvation in Christ, nor to love of neighbor, nor to scriptural guidance to seek God’s glory above any other.”<sup>1</sup> *Adiaphora* is important for us to consider when it comes to matters of tradition, taste, and preference.

The author, Christa Von Zychlin, concludes by “giving thanks to God for all the church folk, throughout the years, who are willing to sing old *and* new songs, who lovingly try to separate *adiaphora* from essentials, who conduct holy experiments, who are unafraid to throw out what is no longer fresh, and who help us all embrace new seasons of life with the One whose ‘...mercies never come to an end; they are new every morning’.”<sup>2</sup>

We’ve evaluated standing and sitting throughout the service, another *adiaphora* situation. Hopefully, the changes made are ones that fit your needs. Please remember, you can always “stand” in spirit if that fits your needs.

Let’s have fun and patience with the new hymnal! We used the green hymnal for 46 years, so there will be “holy experiments” as we begin our adventures in the ELW (Cranberry) hymnal.

**MEMORIAL GUIDELINES:** In 2024 a committee was formed to enhance the current memorial guidelines in order to create a more positive approach to memorial giving at Grace Lutheran.

**GRACE LUTHERAN CHURCH MEMORIAL FUND GUIDELINES**

May the Lord Bless and Keep You!

Memorials are given and welcomed by Grace Lutheran to be used for the mission and ministry of Grace Lutheran. The memorial committee is the church council.

Giving a gift to the memorial fund can be given at any time. Most times a memorial is given in the memory of a loved one who resides in the company of all Saints who have gone before us.

Grace Lutheran does have guidelines that it follows to help with the decisions to fulfill the mission of Grace Lutheran through the memorial funds.

1. Memorials designated to Grace Lutheran remain at Grace Lutheran and become the property of the church.
2. The family may confer with the church council their thoughts for a particular gift. The church council will make the final decision based on the specific needs of Grace Lutheran.
3. The memorial item (s) use, placement, and if necessary disposal of are at the discretion of the church council .
4. It is the practice of Grace Lutheran not to place names on memorial items.
5. A blessing for the items in memory of our Saints will be recognized at the All Saints Day worship service.

*Joy to the world*
