TOWER ECHOES 2025

From the Pastor,

January 12 at Grace we handed out star words to the congregation. I have also handed out words to those not in attendance that Sunday. If you have not received your word please pick one up from the table at the back of the church.

This is an opportunity to have a word to help you focus on for the year. Use it in your prayer life. Put it somewhere where you will see it daily. Mine is on my desk and at this moment it is covered up by my newsletter article.

The Synod monthly themes are also a tool to help us in our prayer life and in contemplating how we can live our lives more Christlike everyday this year. My challenge on January 5 was for us to be more Christlike every day this year. The affirmation of Baptism service I used on January 12 was a way to remember we are baptized by affirming our Baptism and promising to live out our baptismal promises everyday or so to say be Christlike daily.

Tools can help us have little epiphanies. These tools like the bible can only be helpful if they are used. So our challenge this year is to be more Christlike by using the tools provided by God, our church and the Nebraska Synod. Enjoy growing in faith by living as a child of God. I will uncover my word when I finish this article.

Pastor Jim

### Faith Forward

Faith Forward is offering the workshops once again. I attended the Grandparents and Triple-A-Adult zoom workshops in 2024 and felt they were very helpful. I do recommend them. I did not attend the parent workshop.

FF Grandparents Zoom workshop—February 16—6:00—7:15 p.m.

FF Triple-A-Adult Zoom workshop—February 20 or 23—6:00-7:15 p.m.

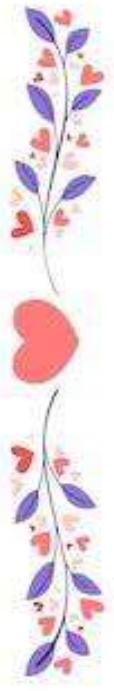

Parent Zoom workshop—March 2—6:00—7:15 p.m.

### Cultivating Love...

The February theme is Cultivating Love through Epiphanies. We are in the church season of Epiphany, that time when we discover God working in our lives. It is the aha moment when the light bulb goes on above your head and you suddenly understand something or realize something. My sister at 72 has been diagnosed to be on the Autism spectrum. Aha! This diagnosis explained my entire life with my sister. I now understand some of the clashes we had together as well as the daily clashes she had with mom. And the ongoing clashes she has with staff at the Assisted Living facility where she lives. These epiphanies can help us be at peace and forgive one another and live out our call to be children of God.

Jody Bruns brought up how “**Benevolence**” is determined. Pastor provided the following clarification: *Benevolence - those funds that are designated on the offering envelopes, checks or authorization forms to go to Benevolence. If not designated by the member it goes to Current Expense.* Our congregation does not send a percentage of total offering as some congregations may. For special services the Council will designate a specific cause or organization to receive those funds. Those are listed as Designated Benevolence giving on the annual report.

Rich Roesener motioned to accept the budget as presented. Nick Weber 2<sup>nd</sup> the motion. Motion approved. Membership Roster presented.

The green hymnals are available for anyone to take home.

Question asked regarding Pastor’s discretionary fund. The fund currently contains \$109. No members are currently contributing to this fund. Pastor can use these funds to help a family with an immediate need – for example unpaid utility bills, need for transportation funds. Any member can designate their offering to this fund if wanted.

Alta Bohling thanked Bret for his years of service on council.

Alta Bohling moved to close the meeting, Diane Ekhoff 2<sup>nd</sup>. Motion carried.
