

Hope Lutheran Church

June 2025

From the Pastor,

The theme for the Nebraska Synod Assembly is Imagine! Imagine! Imagine! I will be more able to explain what we are to imagine after the assembly is over. I have been told that there will not be a Synod yearly theme for 2025-2026. We will stop Cultivating Love at the end of May as the Synod Church year theme comes to an end.

But wait! If memory serves me well, Grace and Hope have an additional theme for 2025. Our church theme is to be Christlike. Being Christ-like explains why we cultivate love for God, others, and self. That is what Christ would do. But it is more than just asking the question, "What would Christ do?" As a popular Evangelical youth leader, challenge for their youth. The question is, "What is Christ-like?" It is allowing the Holy Spirit to transform your old human nature to be more like the very nature of Christ.

I no longer am kind because God expects me to be kind and being unkind probably breaks a commandment or two. I am kind because that is the nature of Christ. Kindness is a gift of the Spirit. A gift that makes me Christ-like. Our challenge in 2025 is to allow the Holy Spirit to work the Spirit's gifts in us not to just make us Christ-like. We are kind because God is part of being in the new nature God has begun in us since we were baptized.

Plus, don't forget you have a "star" word for the year. Mine is "be".

Pastor Jim
