

Hope Lutheran Church

July 2025

From the Pastor,

I just returned from a week at Confirmation Camp. I tease that my “camp high” lasts about two weeks. That excitement about the camp activities and twice a day worship, and the energy that middle schoolers and college age counselors bring to the week.

What excites you? What gives you energy or renews your energy? Many get energized for the week by attending Sunday Worship. We receive forgiveness for things done/left undone the past week and begin the week being renewed by worship and the body and blood of Christ, and being in God’s word. My “worship high” is not usually the same level as my “camp high” but there is something about worship that prepares me for the upcoming week. Some people even say the week feels off when they are unable to attend Sunday Worship.
