

# Hope Lutheran Church

## October 2025

From the Pastor,

I mentioned that there may be the Rapture September 24th and 25th at the end of my sermon September 21st. I read more on the Internet that it was actually sundown Sept 23rd thru sundown September 24th. I then wondered that Monday if I should announce the two dates on the church facebook page.

This was all in humor. I believe that Jesus will return for Judgement Day. Evangelicals interpret the book of Revelation as presenting a return of Jesus to bring believers in Him to heaven, the Rapture, before terrible things happen on earth. At some point after humanity living in this horribleness Jesus will return for Judgement Day of those left behind. Some left behind. Some left behind after the Rapture could still be saved if they began to believe in Jesus as the Son of God.

Lutherans don't really believe in two second comings. Jesus seems to only talk about a return for Judgement Day in the Gospels. Jesus also says even He does not know when he will return, only the Father (God) knows. So did Jesus really tell a South African pastor he was returning for the Rapture September 23rd - 24th? We will see. If you are reading this, oops. Sorry that you were left behind.

Many Evangelical Christians quit their jobs and sold their cars. The main concern for many was would they be allowed to take their pets with them? That made me think. Who could I ask Tuesday to watch Leo while I was out of town? I did not want to imply that I was being raptured and they were not. But...

The positive outcome of the Rapture scare is that people have the opportunity to examine their relationship with God and Jesus and ask the Holy Spirit to give them the faith needed to be saved. And to live your life as a saved person.

Pastor Jim

**Mission Fest:** Mission Festival is October 5th with worship at 10:00 a.m. at Grace Lutheran Church and a pot luck to follow with the main dish being pulled pork sandwiches provided by Grace. The dessert will be cake.

The Mission Fest this year serves three purposes. First the celebration focused on Grace and Hope's Pastor Discretionary Funds. These funds are used by the Pastor to help people who are experiencing an emergency need in their lives. Most often in Cook the need is to prevent the electricity of a person's home from being turned off. This year every member of the congregation has experienced our power being off for hours at a time due to the power failure. Imagine no hope that it may come on again.

The second purpose of the morning is to celebrate with Pastor his fortieth Anniversary of Ordination which happened September 20th, 1985.

The third opportunity of the day is to lie to Pastor and tell him he doesn't look a day over 69. His birthday is October 10th.

There will be an open house Sunday, October 5th 12:30-2:30 p.m. for the community to come and celebrate with Pastor his Ordination Anniversary. Members unable to attend the morning activities are welcome to come in the afternoon for cake.
