## November 2025

From the Pastor,

The November Tower Echoes (Hope Newsletter) article is always about giving thanks to God. This article is about me doing thanks.

Thank you to everyone who attended the Mission Festivals and or contributed to the mission project Pastor's Discretionary Fund. The Churches raised over \$2,800 for the two churches accounts. This fund is just sitting like a fireman just waiting for the next fire to breakout. When someone calls me and says my life is falling apart and I need help with my electric bill or the power will be turned off. I can now say meet me in my office and we'll see how I can help you. I worry about their dignity as well as their needs. I try to treat those in need the way I wanted to be treated in my past time of need. Again thank you for teaming with me, helping people in their time of crises. I do report to the church councils when I help someone from the PDF but do not use names. This is part of being accountable for the use of the fund.

Thank you to Mike and Penny Weber for making, decorating and baking the 40th Anniversary of Ordination and my 70th Birthday cakes. Thank you to the servers and everyone who helped in some way and or came to the celebration. I found it very meaningful.

Thank you to both congregations for the Moostash Joe gift certificate. It is a use it or lose it deal and we will use it. After our first bus trip this year we have made a list of at least four bus trips we would like to take in the next two years.

I would like to thank Kathy for being my partner in ministry for the last forty-five years, married forty-four. Next year I skip my birthday and celebrate forty-five years of marriage. One pastor friend once shook his head and smirking said, "How does Kathy put up with you?"

And of course, I want to thank God for calling me and then equipping me for ministry. And thank you for calling me here out of your need at the time but then out of desire to be church together at Grace and Hope.

Pastor Jim
