

TOWER ECHOES 2025

From the Pastor,

The November Tower Echoes (Hope Newsletter) article is always about giving thanks to God. This article is about me doing thanks.

Thank you to everyone who attended the Mission Festival and/or contributed to the mission project— Pastor's Discretionary Fund. The churches raised over \$2800 for the two churches accounts. This fund is just sitting like a fireman just waiting for the next fire to break out. When someone calls me and says my life is falling apart and I need help with my electric bill or the power will be turned off, I can now say meet me in my office and we will see how I can help you. I worry about their dignity as well as their need. I try to treat those in need the way I wanted to be treated in my past time of need. Again, thank you for teaming with me help people in their time of crisis. I do report to the church councils when I help someone from the Pastors discretionary fund, but do not use names. This is part of being accountable for the use of the fund.

Thank you to Mike and Penny Weber for the making, baking and decorating of the 40th Anniversary of Ordination and my 70th birthday cakes. Thank you to the servers and everyone who helped in some way and/or came to the celebration. I found it very meaningful.

Thank you to both congregations for the Moostash Joe gift certificate. It is a use it or lose it deal and we will use it. After our first trip this year we have made a list of at least 4 bus trips we would like to take in the next two years.

I would like to thank Kathy for being my partner in ministry for the last forty-five years, married forty-four. Next year I will skip my birthday and celebrate forty-five years of marriage. One pastor friend once shook his head and said smiling "how does Kathy put up with you?"

And of course, I want to thank God for calling me and then equipping me for ministry. And thank you for calling me here out of your need at the time but then out of the desire to be church together at Grace and Hope.

Pastor Jim

*thank you, God.*

*We give thanks for the lives and memories of our Saints who began their new journey with Christ in 2025.*

## Lutheran World Relief

The Lutheran World Relief Ingathering was held on October 27—31 at 5 different locations in Nebraska. Magnum Trucking has joined with LWR to ship the kits to a warehouse where they are distributed to those in need.

Lutheran World Relief (LWR) was founded in 1945 in the wake of World War II, with the intention of sending foods, quilts, blankets, and clothes to European families struggling to face the devastation of the war. The founders didn't even plan for LWR to continue its work for more than a few years. But, just like Luther, LWR went global. They now operate in over 20 countries around the world, and the kinds of work they do has expanded and changed. In addition to providing emergency relief in the wake of natural disasters, LWR also works to lift farming families out of poverty and to become resilient in challenging climates. Like Luther's movement, LWR quickly grew and continues to have an international impact.

Today, all over the Nebraska Synod, Lutherans from across the state reach out to those in need through Lutheran World Relief's Quilt & Kit Ministry. Congregations, students, and groups of all types create and/or gather quilts and kits for LWR making a lasting difference in the lives of our neighbors around the world. Your gifts of love reach out to people all over the world. You provided opportunities for education for children from Honduras to Zimbabwe to Syria. You gave hope to refugees in Mauritania, Bosnia, and Iraq. You help bring comfort to displaced families in Haiti and Dominica.

Thank you for making and collecting Quilts and Kits for Lutheran World Relief's Ingathering!

Thank you to Dave Smith for delivering the School Kits, Quilts, Personal Care Kits, Sewing Kits and Baby Kits to Omaha for the LWR Ingathering!

Thank you to the Piecemakers—who sew, put together, tie, and bind the quilts that are sent to LWR.

And THANK YOU to those who contribute to our School Kits and Personal Care Kits throughout the year. We were able to send 188 Quilts, 8 baby Kits and 6 Fabric Kits, also 100 School Kits and 100 Personal Care Kits again this year!! .

**New Business**

Possible ways to save printing costs of weekly bulletins were discussed.

The church constitution will be sent to the Synod for review as requested. All congregations are being asked to submit their constitutions.

A motion was made that the use of paper products vs Corelle dishes is at the discretion of the person/people in charge of the event. Motion was made by Robin Eggleston, Owen Weber second. Motion approved.

**Thank you** to Joyce Roesener for fellowship coffee, Richard Roesener for his PA work, Andrea Eggleston for the beautiful altar flower arrangements, Dave Smith for excellent lawn care, Kurt Effken for power washing the parsonage and fence, Gene & Diane Ekhoft for Sunday church duty, and Mike and Penny Weber for donating the cakes and cupcakes for Pastor's Ordination Anniversary and birthday celebration. We greatly appreciate Penny's time and talents for baking and decorating the delicious cakes and cupcakes. Thank you to Bret and Melissa for leading Sunday School, assisting in church duty and helping with our PA System. Finally, thank you to Jody Wellensiek for serving on the church council for 1 year and 9 months. Prayers for quick healing and recovery!

Next meeting – November 24, 2025, at 7 pm.

Meeting adjourned with the Lord's Prayer.

Respectfully submitted,

Lisa Weber

### Q3 update: Dana Village, for youth aging out of foster care and low income elderly

Good Morning,

We are dedicated to establishing an innovative approach to supporting youth transitioning out of foster care, addressing homelessness, and cultivating a new generation of workforce-ready individuals.

A number of our youth come from Omaha. Most do not want to go to college. We work to get them accustomed to living on their own while giving them the tools to do so. Some have had very tough lives up until this opportunity at Dana. It is exciting to see them return as welders, in the automotive industry, and in construction. Some stay in Blair and continue working in the area's companies.

Activities this past quarter:

1. We launched a diesel mechanics program and have one youth investigating an opportunity with Omaha Truck Center. Another young woman received her CNA while living and working on campus, her story is below.
2. We held our 1st Annual Vintners Dinner at the Holland Center. Led by Chuck Olson (Main Street Cellars) and Mike West (Quest Distributing), we had 16 extraordinary vintner pair their wine with an exclusive **7 course menu put together by chef Ben Maides of Au Courant and OPA's chef Michael Anderson.** It was magic and we raised \$295,000 for the gym.
3. The date for the next dinner is August 15th, 2026. Mark your calendars!

Dana Story Time: [The Dana Village Opportunity: From Potential Homelessness to College](#)

In December 2023, we met a young woman referred to us by CASA. She had faced more challenges in her short life than many in a lifetime. Without credit history, without a co-signer, and without family to turn to, she was facing the homelessness where 20% of these youth fall. *We were told we were her last hope.*

On April 19th, 2024, she became a resident of Dana Village, and for the first time she had a home she could call her own. Thanks to our donors, Lutheran Family Services was able to fully furnish her apartment and provide her many other services.

When she walked in and saw the space prepared for her, she paused and said: ***"You don't know what this means to me. I was going to be homeless. It's going to take me a few days to process this. Letting it sink in that I don't have to go to another foster home. This is my home. I can't believe I made it."***

The very next morning, she shared something with her CASA counselor that speaks volumes: ***"I haven't slept this peacefully for as long as I can remember."*** With a safe roof over her head and an opportunity many of her peers do not receive, she threw herself into every amenity available, job leads in Blair, life skills classes, financial literacy, and how to establish credit, all while studying to earn her CNA license.

This August, just 15 months after arriving, she moved into her own apartment in Omaha. Today, she is working as a CNA, attending school, and pursuing her dream of becoming an attorney, so she can one day advocate for foster youth who, like her, need someone to believe in them. The 2 elderly women who befriended her on campus are so excited for her and are glad they helped her learn that you must do more to chicken than put flour on it and place it in the oven.

Please keep us in mind for your end of the year donations.

Thank you for all your support!

**"Each person saved from the streets is a huge win and you never know how that one act changes the world" -**  
*Chuck Olson*
